

Prayer for Restoration of Purity

Mary, Mother Most Pure, and St. Joseph, her Most Chaste Spouse, pray for us and all souls. Defend us from the evil one who prowls about the world attacking our purity of mind and heart. Be our models of chaste love. Be our strength and our help in guarding our own purity. And as the Crusher of the Serpent and the Terror of Demons free those enslaved by the enemy to sins of impurity. May Jesus heal their hearts, restore their purity, and gift them with the virtue of chastity. We ask your powerful intercession in the Name of your Son, Jesus, our Lord and Savior. Amen.

Prayer to End Internet Pornography

Blessed Carlo, you used the internet to spread Truth, love of Jesus and devotion to His Eucharistic Presence. The enemy of our souls infects the internet with impurity, lies and darkness. Through your intercession, may Jesus' Truth and Love triumph so He may reign as King over the internet as well as in our hearts and our homes. We ask, in particular, for you, Blessed Carlo, to pray with us for the abolishment of internet pornography and for protection from this evil for ourselves and all our loved ones. Amen.

Prayer to Our Lady of the New Dawn

O Mary,
Mother Most Pure,
Bearer of the Light,
come into our darkness.
May the pure
Light of your Son,
Christ our Lord,
fill our hearts and radiate
into the darkness
around us so we, too, may
be bearers of the Light.
Amen.

Prayer for Jesus' Living Roses

O Christ, our Bridegroom and
Mary, Mystical Rose of God,
please give to each and every
one of Your wounded Roses
the comfort of Your Presence.
Let them know they are not
alone. Gather them in your
mantle, Mary, and make them
a fragrant bouquet of living
roses for our Beloved.
Amen.

Prayer for Healing of Men's Hearts

Our Lady of Guadalupe, please place all the men entrusted to my heart and all your sons, brothers of our Divine Bridegroom, in the tilma of Saint Juan Diego. May they learn from your humble servant the power of gentleness, obedience to the will of God, and fearless trust in His Mercy.

Humble and courageous Juan Diego, carry them to the Heart of Christ our Bridegroom so He may heal their masculine hearts and teach them to love as He loves.

Amen.

Prayer for Dove Eyes

O Bridegroom of my soul, open and purify the eyes of my heart. Give to me dove eyes so I may see as You see, with purity of heart and mind. May I see through Your eyes of Love and recognize the gift that I am and that others are too. Come Holy Spirit and bless me with spiritual sight - purified and enlightened sight. May I grow to see Your true Beauty and Splendor and to see Your image reflected in me, Amen.
